THE PERFECT BOTTLE AWAITS

Nothing completes a gourmet meal like a signature bottle of wine. La Locanda offers its guests an extensive selection of red, white, dessert & sparkling wines, available every day during lunch & dinner.

Guests can view many of these selections in our state of the art temperature controlled glass wine rack located in the front half of our Main Dining Room. We encourage you to peruse through our Wine List next time you join us! Our staff is sure to help you find the perfect bottle!

View our entire Wine List on our website at lalocandapa.com.

AL FRESCO DINING SUCCESS

La Locanda made big moves this summer when faced with dining complications resulting from COVID-19. We decided to make the most of a difficult situation and offer our loyal customers socially distanced al fresco dining.

With the help of friends & family, our staff created a beautiful outdoor oasis. The large umbrellas offered shade, while the surrounding potted plants transformed our parking lot into the perfect spot to enjoy a meal and feel safe while doing so.

Our outdoor dining area brought us great success, and helped to bring the restaurant back to life after months of takeout only. We are more than grateful for everyone who joined us throughout this new experience, and we hope to continue with al fresco dining into the fall months as well.

AN ATMOSPHERE OF ELEGANCE

What better time to refresh & re-design the interior of our beautiful restaurant than during a global pandemic?

La Locanda is proud to show off the beautiful new floors in our Main Dining Room, along with our Main Bar & "New Room". These new floors help bring warmth & coziness to the restaurant's atmosphere and pair perfectly with our double fireplaces. Make your reservations today, and experience it for yourself!

HOLIDAY PARTY CENTRAL

La Locanda offers guests the opportunity to book one of our three beautiful private dining rooms for any type of occasion. Now is the perfect time to plan your 2020 holiday party! Rest assured knowing that La Locanda has implemented social distancing through spaced out tables, along with sanitation procedures in place to keep you and your guests safe at all times.

Our Cantina "Wine Room" is perfect for more intimate & cozy gatherings. The "New Room", our mid-size space, lights up the party with its beautiful golden walls & ornate ceiling, while our largest room, the "Sun Room" offers guests a private bar & exposed brick for a rustic, yet elegant event!

Call Massimo or Amy at 610-353-7033 for availability & pricing. We look forward to hearing from you soon!
